The rental price is valid throughout the whole exhibition and includes transport, construction and dismantling. Dismantling starts right after the exhibition ends.. A 3% insurance fee for stand parts and damages caused by third parties are added to all prices as well as the valid VAT. Construction and execution after payment only. Terms and conditions of mlg are base of this contract. <http://mlg-messebau.com/gtc.html>

place, date

company stamp and legal binding signature

Formats

Each graphic file should be created in the exact **panel dimensions** 1:1 (original size)

Marks and cutting marks

Please make sure that the files are **without** any marks or cutting marks.

Colors

Our printers are working with standard color settings (ISO Coated V2 ECI).

Print files with a special color mode like, RGB- and LAB-color mode will be automatically converted in CMYK-color mode.

Fonts

Please make sure that every font in your graphic file is vectorized (converted into paths)

File formates

.pdf - printable pdf file with all graphics inbeded in the original dimensions of the end formate with all fonts vectorized

.tif - file should be saved in the CMYK color mode

.eps - with a TIF file integrated, should be saved in the CMYK color mode

.eps - postscript format can be created through Adobe Illustrator, please convert every font into paths

CAUTION! The file should be vectorized

.ai - format of Adobe-Illustrator-, please convert every font into paths!

.jpg - JPG-files can be highly compressed. If the file is massiv compressed the resolution is not that good.

Print files

Basicly we are working with pdf files.

Integrated pixel images should be saved in CMYK color mode and all fonts should be converted into paths.

Please create all colors in CMYK color mode. RGB-color mode informations will be automatically converted into CMYK color mode informations. We are not liable for quality losses caused through that .

For a perfect result the file should be created with minimum of 72dpi.

File transfer

Please send the files directly to your contact person or at info@mlg-messebau.de.

Large files can easily be send through a FTP-server, Dropbox or the online-service

www.wetransfer.com .

Copyright/liability

The mlg company is not liable for any graphic file or document submitted through the costumer. The mlg GmbH will not check any violation of the copyright law or the accuracy of the documents. The costumer absolves the mlg GmbH of any claim of compensation caused through the violation of the copyright law, color mistakes or tipping mistakes.
